Delta Iota Chapter

A Brief History of Alpha Phi Alpha Fraternity, Inc.

Alpha Phi Alpha Fraternity, Incorporated, was established on December 4th, 1906, at Cornell University, where seven visionary students of African descent established the organization with a commitment to scholarship, fellowship, and universal love. Since its inception, the fraternity has consistently emphasized the importance of academic excellence and a steadfast dedication to community service.

As the first intercollegiate fraternity for African American men, Alpha Phi Alpha Fraternity, Inc. has played a crucial role in advancing the causes of African Americans and people of color globally since 1906. With a presence spanning over 800 chapters worldwide, the fraternity's mission is to inspire the ambitions of its members, preparing them for significant contributions to humanity, freedom, and the dignity of the individual. The fraternity aims to encourage the highest and noblest form of manhood while aiding downtrodden humanity in its pursuit of elevated social, economic, and intellectual status.

About Delta Iota Chapter

In the heart of New Jersey, the distinguished Brothers of Alpha Phi Alpha Fraternity, Inc., Delta Iota Chapter, proudly uphold a legacy of leadership and service. The Delta Iota Chapter, established on February 10, 1950, as the 97th House of Alpha and the first African American fraternity at Rutgers University, has been a cornerstone in fostering a community that values education, leadership, and service. The chapter has consistently upheld the ideals of Alpha Phi Alpha through initiatives like the national program "Go to High School, Go to College," which actively supports minority high school students in their educational journey and smooth transition into higher education. Over the past 75 years, Delta Iota has positively impacted countless lives through educational programs, community service projects, and the development of young men into leaders.

As we celebrate 75 years of continued service and leadership, we remain dedicated to the principles that have guided us since our founding, and we look forward to building on our legacy in the years to come.

REMEMBERING YOU 2 SCHOLARSHIP

In honor of **Jordan Coleman Jimerson**

ABOUT JORDAN COLEMAN JIMERSON

The "Remembering You 2" Scholarship is established in honor of Jordan Coleman Jimerson, a proud graduate of Rutgers University and member of the Delta Iota Chapter of Alpha Phi Alpha Fraternity, Incorporated. Jordan's journey at Rutgers was marked by his full-ride athletic scholarship as part of the Rutgers Track and Field team, as well as his academic achievements, including a Bachelor of Arts in Psychology. He later pursued his passion for helping others by earning a Bachelor of Science in Nursing from Caldwell University.

Tragically, Jordan passed away at the age of 25 due to epilepsy. However, beyond his accolades and the circumstances of his passing, Jordan was cherished for his uplifting spirit, positivity, and unwavering support for friends and loved ones. His genuine care for others, his contagious energy, and his ability to always check in on those around him left a lasting impression on everyone who knew him. Jordan's legacy continues through the hashtag **#LiveLikeJJ**, a testament to the impact he had on those around him.
